 - Discussions in committees revolves around learning outcomes
 - Mathematics Committee is collaborating with BCCAT and resulting info will be shared publicly on the ACAT website
 - **PLAR (Ann Marie Lyseng):**
 - ACAT is taking a leadership role and collaborating with the province re: an initiative to move PLAR credit reporting to another format to improve accuracy and fix lack of data validity currently experienced in the system
 - This is still in the planning stage and includes collaboration with LERS staff at the ministry, the PLAR Articulation Committee, and advice from CAPLA
 - **Dual Credit (Ann Marie Lyseng):**
 - Committee member structure was provided to Council as background
 - Work re: common language, CASS partnership grant reporting, CASS partnership data collection is underway

<ul style="list-style-type: none"> ➤ The Steering Committee appreciates working with ACATs Dual Credit Committee along with their support at the Dual Credit Symposium scheduled at Olds College October 29th ➤ It is important to council dual credit students and high school councilors about how these credits will be regarded, especially by post-secondary faculty, and in regards to GPA calculations ➤ Need to ensure councilors/students understand how a dual credit program fits or doesn't fit a students' post-secondary pathway choice ○ Expansion of Articulation Committees: A request from the system has been received to add a Religious Studies Articulation Committee <ul style="list-style-type: none"> ➤ Additional resources are needed to support additional committees ➤ The Articulation Sub-committee will discuss further expansion and bring it to the next Council meeting for discussion/approval ○ Annual Articulation Chairs Meeting: traditionally this meeting is held just prior to the Winter ACAT Council meeting <ul style="list-style-type: none"> ➤ the next meeting will be held in February 2016 ➤ a report will be provided to Council Members at the February 2016 meeting ○ Admissions: (Jim Gibbons – Chair): Committee last met in the Spring 2015 <ul style="list-style-type: none"> ➤ Goal is to identify and collect information re admission practices and issues in the current system plus what data is already available ➤ Research by the LPMI Initiative and Research Committee research will be helpful ➤ Focusing on K-12 transitioning to post-secondary and their pathway ➤ Capturing practices, gender factors and data from under-represented groups is challenging ➤ Expect the committee to meet in Fall 2015 and additional members from Council are welcome
<ul style="list-style-type: none"> ● Learner Pathways/SAO Committee (Marc Scholes/Susan Bangrove – Partnership): <ul style="list-style-type: none"> ○ Marc and Susan participate at each other's committee meetings to share information, discuss common initiatives, and coordinate a common direction ○ ACAT and CAQC are collaborating on a learner pathways forum in the Spring 2016 <ul style="list-style-type: none"> ➤ Marc, Susan, Janet Peterson and CAQC are developing a questionnaire re outcomes (how the initiative is viewed, interest by the system, internal institution supports, programming integrity, developing principles of working together re student mobility and pathways) ➤ Survey results, institution feedback, and a report will be provided to Council at the next meeting ○ Marc and Susan are working on an MoU/agreement with institutions SAOs regarding a learning outcomes agreement related to business diploma pathways ● ACAT Research Initiative: <ul style="list-style-type: none"> ○ The ACAT Secretariat is working with the Ministry re: funding approval ○ A research plan was developed in 2014 to proceed when funding has been approved ○ Initial step is to explore data currently being collected by the Ministry and the post-secondary system to understand current environment and then move into qualitative connections ○ ACAT Chair will be discussing the initiative at an upcoming meeting with the Deans of Education
<p>5. Learner Pathways Modernization Initiative (LPMI) Business Assessment Update and Inter-provincial Presentation</p> <ul style="list-style-type: none"> ● ITM Team members Rob Schlender (ACAT LPMI Initiative and Transfer System Redesign Program Manager), Ranuka Jinadasa (Business and Technical Analyst), and Ahmed Elhamahmy (Transfer Alberta Website Project Manager) brought Council up-to-date regarding: <ul style="list-style-type: none"> ○ Progress already achieved in Phase 2 of the initiative: <ul style="list-style-type: none"> ➤ consultation with the three LPMI Working Groups (Advisory, Transfer Credit Evaluation System (TCES), and Website Redesign) ➤ collaboration with inter-provincial stakeholders regarding development of a common platform that can accommodate unique adaptations required by each province has been very successful and is ongoing

- gathering and reviewing existing documentation from previous projects (Manitoba and British Columbia)
- researching best practices in a market scan of Provincial Transfer website programs and systems
- ACAT Chair has provided clarification at the Contact Persons Meeting, dispelling the misconception by the transfer system members that ACAT is taking the current BCCAT system as is as the new Alberta system
- ACAT Secretariat explained that as ACAT is not a legal entity, the GoA must be the legal signatory and certain requirements/process are required for any inter-provincial agreements
- Inter-provincial collaboration has resulted in beginning to build a common understanding re terminology and stakeholder engagement in the project
- GAP analysis is underway
- Council guidance re next steps is requested.
 - ACAT Council to develop business principles to ensure common data format/data fields for everyone, content is accurate and valid
 - Ideally to have a common course outline catalogue accessible by students and post-secondary system users (perhaps through uploading calendars that are updated as needed throughout the year); the course outlines are already part of the current agreements so perhaps this less onerous than we think; will be addressed in upcoming stages
 - Ensure data upload to new system is as a little work for institution staff as possible
 - ACAT Secretariat will post the LPMI Working Groups membership lists on the ACAT Council SharePoint site
- LPMI/ITM Executive Committee Established
 - Volunteers are Robin Fisher, Emily Mcphail, Christine Johns, Madeline McVey, Susan Bansgrove, Ann Marie Lyseng and Eric Dohei
 - Meeting Date: November 19, 2015 at 10:00 a.m. – Noon
 - Location: Wendy Richer will connect with SAIT as a number of members are in Calgary on this date
- **Inter-provincial Consortium Update and ARUCC/PCCAT Research (Rob Fleming, BCCAT)**
 - Backgrounder re the origins of the technology review initiative was provided
 - BCCAT technology is 10 years old with refinements yearly
 - BCCAT and Campus MB have an agreement for the baseline platform development on Dot.net by late Spring 2016
 - Expect efficiencies and shared resources available in a common operating system with each jurisdiction adding their own unique requirements
 - The ARUCC/PCCAT Research Project is 2+ years in the process
 - Phase 1: verification research , Transcription Transfer Credit GAP analysis, terminology, building a new online accessible database (guided by Joanne Duklas and a Steering Committee)
 - Phase 2: goes live in November 2015 on the ARUCC website with a built in feedback function that is monitored and can be updated regularly, available to everyone but expect registrars will be highest users across all jurisdictions
 - International transfer challenges and the development of a best practices guide for use across Canada were discussed and Rob will take this back to the committee

LUNCH – Provided

6. A. Innovation and Advanced Education (Gilbert Perras, ED, IAE Operations, Programming and Accountability Sector):

- ACAT Secretariat Secondment and initiatives funding requests are in process
