

Dual Credit

Dual Credit provides a genuine relevant experience for students to take the next step beyond high school.

Dual Credit Courses & Programs currently available at Bow Valley College:

(Each college course aligns to 5 high school credits unless noted)

- Health Care Aide – full program
- Introduction to Entrepreneurship
- Introduction to Management
- Business Law
- Introduction to Marketing
- Medical Terminology I and II
- Global Tourism
- Early Learning & Child Care
- Criminal Justice System
- Interpersonal Relationships & Communication Skills
- Anatomy & Physiology: Nursing (10 high school credits)

Delivery Models

Face to Face/ Blended and On-line learning models available. BVC will work with districts to develop a delivery model that meets the needs of their students. Supports from the on-line instructor throughout the semester. Communication between college instructor and district teacher throughout the course is critical to success.

School districts involved in Dual Credit at Bow Valley College:

- Canadian Rockies Public Schools
- Christ the Redeemer Catholic
- Clearview Public Schools
- Foothills School Division
- Calgary Board of Education
- Rundle College High School
- Calgary Catholic School district
- Red Deer Catholic Schools
- Southern Alberta FrancoSud

Ways to Success

- Flexibility – locations, courses, dates, instructor, registration, exams, holiday schedules
- Start-Up costs absorbed by the college
- Having a dedicated dual credit person in the college/school system
- Ensure all students are ready to begin (login in ability, expectations, etc.)
- Instructors understand dual credit process
- Learn about each other's systems to help bridge gaps between K-12 and post-secondary
