

## **Student Testimonials from Palliser School District**

### **What is one thing you liked about the program?**

I was able to learn about my future career and prepare myself more for post secondary

### **Would you recommend this program to other students? Why or why not?**

Yes, it has had a very positive impact on my life

Of course! Even though several courses in this program may not be what they are looking to pursue in the future, it is still such a great opportunity to be able to get a good grasp of what post-secondary learning is like - it will surely allow them to challenge themselves and be equipped for future career opportunities!

### **Please add any comments or overall feedback you would like to share about your experience.**

I enjoyed being able to learn something new and gain knowledge on what i plan to do in the future

I think it helps people start thinking about programming as a path for a career and see if it is for them.

I loved the entire thing. best classes of my life so far

I strongly recommend this Dual Credit program to anyone who loves taking on new challenges or is looking to explore more career opportunities.
