#### Notes:

1. Values listed in the above table represent the number of Unique Students at the level you are looking at, and therefore summing up corresponding columns may lead to an inflated value.
2. This report is sourced from LERS data, which contains enrolment data regarding all ministerially approved programs reported in LERS by publicly funded post-secondary institutions in Alberta's six sectors.
3. In the 2015/16 and 2016/17 academic years, select IAI sector institutions changed their name. For consistency purposes, all values have been listed using current institutional names.
4. In 2019, Alberta implemented an updated six sector model for its publicly funded post-secondary system. For consistency purposes, this report uses the current sector names and institutional alignments.
