Notes:

1. Values listed in the above diagram represent the number of Unique Students at the level you are looking at; therefore, adding up sector numbers in each category may lead to an inflated value.

2. This report is sourced from LERS data, which contains enrolment data regarding all ministerially approved programs reported in LERS by publicly funded post-secondary institutions in Alberta's six sectors.

3. Please refer to the "Student Enrolment Flow by Post-Secondary Institution" tab for the complete names of each sector (i.e., CARU, UU, CCC, etc.) and for the enrolment of individual post-secondary institutions that make up each sector.

4. This report uses the sector names and allocations based on the academic year it is run, therefor the results may not align with reports from previous academic years.
