# Sample: Transfer Decisions Updates – Search Tool Pathways

- **Search Tool Pathways Updates**

- Update search filters to allow for more dynamic data access for pathways, such as for apprenticeship education, military, micro-credentials, high school, course/program, etc.

## Search

ABOUT YOU > **SEARCH TYPE** > INSTITUTIONS > PROGRAMS / COURSES > RESULTS

### I would like to explore:

- where my completed courses/program may transfer for credit
- which institutions offer a course/program that may transfer to a specific course/program at the institution where I plan to complete my credential
- high school transitions or upgrading for admission to post-secondary
